The sanction accorded in G.O.No.2613-P.W.(W) dated 5-10-46 for the continuance of the staff sanctioned in G.O.No. 746-P.W.-dated 19-3-46 for the investigation of the above expires by the beginning of next month. Owing to want of supervisors the investigation work is not expected to be completed by that date. The Executive Engineer has accordingly applied for sanction to the continuance of the full staff till 18-1-47 by which date he expects to complete the work.

A copy of the Executive Engineer's letter with a statement showing the details of work yet to be done is enclosed. As broken periods of utilisation of establishment cannot be taken for extension of the period of sanction, extension for the continuance of the staff till the date on which the work is expected to be completed in all respects is now applied for.

Permission may also please be accorded to continue the staff till 18-1-47 in anticipation of sanction of Government.

Establishment-Investigation of the Doddanalla Reservoir and Palayam scheme in Coimbatore District- Special staff - extension--requested--

Superintending Engineer's Endt.No.1446-SL dated 12-11-46 (W)

In G.O.No.P.2613 P.W.D. dated 5-10-46 sanction has been accorded for the following special staff for a period of 3 months from the date of expiry of the sanction accorded in G.O.No. 746 P.W. dated 19-3-46 (i.e. for Thattahalla scheme) for the investigation of the Doddahalla reservoir and Palayam channel scheme in Coimbatore District.

1. Assistant Engineer
3 Supervisors
1 Draftsman III Grade
1 Lower Division Clerk
6 Peons.

The date from which the special staff are actually working on the scheme are given below.

| | |
|---|---|
| Assistant Engineer | from 28-9-46 FN |
| Two Supervisors | |
| Sri C.Chokkalingam | 4-9-46 F.N. |
| Sri C.Parthasarathy | 4-9-46 FN to 20-9-46 AN and 9-11-46 FN on- |

The third supervisor, Sri P.Srinivasa Varadhan posted in Superintending Engineer's No.3118 M dated 29-10-46 has not yet joined duty.

| | |
|---|---|
| Sri T.S.Ramakrishnan, Draftsman | from 7-9-46 FN |
| Sri R.Subramanian, L.D.Clerk | from 26-10-46 AN |

Regarding the details of work remaining to be done, please see copy of statement of the Subdivisional Officer, Special, enclosed.

As per the orders of the G.O.under reference, the sanction for the Subdivision will lapse on 3-12-46 AN itself, as sanction is accorded from the date of expiry of the sanction for special staff for Thattanalla scheme. The Subdivisional Officer joined duty on 28-9-46 FN only. Only one Supervisor is working continuously from 4-9-46 FN. The total sanction that will be utilised according to the orders of the G.O. to end of 3-12-46 AN will be

| | | |
|---|---|---|
| Assistant Engineer | 3 months | |
| One Supervisor | 3 months or | 90 days |
| Another Supervisor | | 42 days |
| Third Supervisor not utilised | | .. |
| | Total | 132 days |

Balance of supervisors days to be utilised out of 9 months sanction is (270 - 132) = 138 days.

It is nearly a fortnight since reposting orders were issued to Sri S. Srinivasavaradhan, the third Supervisor posted. When he will be joining duty, is not known. Presuming that he will join duty on 4-12-46 AN and utilising the balance of sanction among the full strength of supervisors sanctioned for the subdivision viz. three, the sanction already accorded will hold good till 18-1-47 AN. The balance of work remaining to be done for completing the investigation will also be completed by that date.

In the above circumstances, I request that extension of sanction for continuance of the Subdivision (Assistant Engineer, Draftsman, Typist, Clerk and Peons) to end of 18-1-47 AN may kindly be obtained. If the 3rd Supervisor does not join duty as presumed above, then the work remaining can be expected to be finished only by the end of January 1947.
